-Some Benefits are guaranteed and some Benefits are variable (non-guaranteed) with returns based on the future performance of the opted funds and fulfillment of other applicable Policy conditions. If your Policy offers guaranteed returns, then these will be clearly marked as "guaranteed" in the illustration table on this page. If your policy offers non-guaranteed returns, then illustration will show two different rates of assumed future investment returns. The above illustration has been determined using assumed future investment returns of 8% and 4% respectively. The rates used have been set by the Life Insurance Council. These assumed rates of return are not guaranteed and there are no upper and lower limits of what you might get back at Maturity, due to the fact that the value of your Policy is dependent on a number of factors including future investment performance. ^{^^}All Premiums, Charges, and interest payable under the policy are exclusive of applicable taxes, duties, surcharge, cesses or levies which will be entirely borne/ paid by the Policyholder, in addition to the payment of such Premium, charges or interest. Tata AIA Life shall have the right to claim, deduct, adjust and recover the amount of any applicable tax or imposition, levied by any statutory or administrative body, from the benefits payable under the Policy.
