At the inception of the Policy, You must select either of the following two plan options, which once selected, cannot be changed later:

- I. Option 1 – Cash Bonus
- II. Option 2 – Accumulating Cash Bonus

I. Option 1 – Cash Bonus

The cash bonus may be utilized in any of the below Option of Cash Bonus Payment as chosen by You at the inception of the Policy or as may be changed by You by a written request to Us during the Policy Term. Any such change shall be effective from the immediate next Policy Anniversary.

A. Paid-in Cash:

The Policyholder shall receive the cash bonus, as per the chosen Pay-out Frequency (as described later), into:

- You shall receive the cash bonus as per the chosen Pay-out Frequency into Your designated bank account as per Our records .

At the inception of the Policy, the Policyholder may opt to receive the cash bonus on a special date as per Your choice under ‘Paid-in Cash’ mode. This special date can be any date such as spouse’s birthday, parent’s wedding anniversary, child’s birthday, 15th day of every month, etc. where the cash bonus applicable first Policy Year when it is due, would be calculated by prorating the annual rate by the number of days between the Policy Anniversary and the special date chosen by You.

However, if at the inception of the Policy, You have already opted to receive the cash bonus on a special date (as per Point A ‘Paid-in Cash’ mentioned above), You shall not be eligible to change the mode of utilizing the cash bonus, Pay-out Frequency or change such special date in future.

- B. **Premium Offset:** Under a non-Single Pay Policy, the cash bonus (if any) may be utilized to adjust the Premium which may become due under the Policy, provided the chosen Pay-out Frequency and timing of the cash bonus matches with that of the Premium payment under this option.
